

# A Review of Etomidate for Rapid Sequence Induction and Intubation

*Continuing Pharmacy Education Activity*

**When** Home-study

**Itinerary** See following page

**Educational Goals** This CE will provide answers to learners to competently understand and utilize information pertaining to rapid sequence induction and intubation and etomidate.

**Learning Objectives** At the end of this activity, the pharmacist will be able to:

- List the sequence of events that occur for successful Rapid Sequence Induction (RSI)
- Describe the indication of various agents used in RSI as well as the mechanism of action, dosing and administration, contraindications, adverse events, and monitoring parameters
- Review current literature and assess the data supporting etomidate's use as an induction agent
- Discuss the adverse events associated with etomidate's use such as adrenal insufficiency and mortality
- Evaluate which agents are clinically most appropriate to use based on patient and agent factors to assist during an RSI event

**Faculty** Favour Eluma, PharmD. e-mail: FEIuma@novanthealth.org  
PGY-1 Pharmacy Practice Resident

**CPE Information** **Activity Type:** Knowledge **Cost:** \$10  
**Credit:** 1 contact hour (0.1 CEU) **UAN:** 0101-0000-22-001-H01-P  
**Release Date:** Feb 15, 2022 **Expire Date:** Feb 15, 2025

**Target Audience** This activity is for Pharmacists

**Credit Criteria** To receive credit the following items must be completed

- Register for the event through [supharmacy.learningexpressce.com](http://supharmacy.learningexpressce.com)
- Attend the entire activity
- Complete all relevant learning assessments
- Complete an activity evaluation through [supharmacy.learningexpressce.com](http://supharmacy.learningexpressce.com)

For those participants who have met the eligibility criteria stipulated above, participant information will be uploaded to CPE Monitor within 48 hours of completion.

**Funding & Conflict of Interest Disclosure** No external funding has been obtained for this activity. The speakers have no conflicts of interest to disclose.

**Activity Contact** Dr. Niki Mehdizadegan  
UVA Health Prince William Medical Center  
Manassas, VA  
email: [nmehdizadegan@novanthealth.org](mailto:nmehdizadegan@novanthealth.org)

**Registration** Online registration at: [supharmacy.learningexpressce.com](http://supharmacy.learningexpressce.com)

The Bernard J. Dunn School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
