

Virtually Impossible? Tips for creating engaging and interactive virtual learning experiences

Continuing Pharmacy Education Activity

When October 1, 2021 1:30PM - 2:30PM

Where Webinar/Zoom link: <http://www.su.edu/preceptor>

Itinerary See following page

Educational Goals This CE will provide answers to exploring lessons learned from precepting during a pandemic

Learning Objectives At the end of this activity, the pharmacist will be able to:

- Identify challenges associated with virtual precepting.
- Recommend ways to manage a disengaged learner in a virtual environment.
- Describe at least two strategies to create and maintain an interactive learning experience when students are participating virtually.
