

VTE Prophylaxis in Trauma Patients

Continuing Pharmacy Education Activity

When Home-study

Itinerary See following page

Educational Goals This CE will provide pharmacists with knowledge on updated TQIP guideline recommendations in trauma patients

Learning Objectives At the end of this activity, the pharmacist will be able to:

- Discuss the updated TQIP guidelines as it relates to trauma patients
- Outline the TQIP guidance for dose adjustments based on factor Xa levels
- Select appropriate recommendations for monitoring factor Xa in presented patient cases
- Discuss TQIP guideline recommendations as it relates to the re-initiation of anticoagulation in subpopulations
- Select appropriate TQIP guideline recommendations as they pertain to presented patient cases

Faculty Alison Panchisin, PharmD. E-mail: apanchisin2@wellspan.org
PGY-1 Pharmacy Practice Resident
Wellspan
