

# Who you gonna call? Poison Control! Role of Pharmacists in Antidote Shortages and Poison Treatment

*Continuing Pharmacy Education Activity*

**When** June 1, 2022 6:30PM - 7:30PM

**Where** Webinar/Zoom link: <https://zoom.us/j/8461352508>

**Itinerary** See following page

**Educational Goals** This CE will provide pharmacists with knowledge on ensuring optimal medication therapy outcomes and patient safety for patients requiring antidotes for medication related poisoning during times of medication shortages; Satisfying educational requirements for pharmacist re-licensure.

**Learning Objectives** At the end of this activity, the pharmacist will be able to:

- Explain the most recent trends in antidote shortages and evaluate progress towards solutions.
- Describe the role of the health-system pharmacist in preparedness and response to antidote shortages.
- Identify common antidotes used for the management of overdose patients that have been recently in shortage.
- Recommend a treatment plan to manage toxicity in the event a first-line antidote is in shortage.

**Faculty** N. Kiersten Reid, PharmD. E-mail: [nreid@su.edu](mailto:nreid@su.edu)  
PGY-1 Pharmacy Practice Resident

**CPE Information** **Activity Type:** Knowledge **Cost:** 0  
**Credit:** 1 contact hour (0.1 CEU) **UAN:** 0101-0000-22-006-L05-P  
**Release Date:** June 1, 2022 **Expire Date:** June 1, 2025

**Target Audience** This activity is for Pharmacists

**Credit Criteria** To receive credit the following items must be completed

- Register for the event through [supharmacy.learningexpressce.com](http://supharmacy.learningexpressce.com)
- Attend the entire activity
- Complete all relevant learning assessments
- Complete an activity evaluation through [supharmacy.learningexpressce.com](http://supharmacy.learningexpressce.com)

For those participants who have met the eligibility criteria stipulated above, participant information will be uploaded to CPE Monitor by July 1, 2022.

**Funding & Conflict of Interest Disclosure** No external funding has been obtained for this activity. The speakers have no conflicts of interest to disclose.

**Activity Contact** Amber Wesner, Pharm.D.  
Shenandoah University  
email: [awesner@su.edu](mailto:awesner@su.edu)

**Registration** Online registration at: [supharmacy.learningexpressce.com](http://supharmacy.learningexpressce.com)

**Please register by June 1, 2022 6:00PM**

The Bernard J. Dunn School of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
