

Religion, Spirituality, and Health: Research and Applications

Continuing Pharmacy Education Activity

When November 10, 2021 8:15AM - 9:45AM

Where Webinar/Zoom link: <https://su.zoom.us/j/97038925283>

Itinerary See following page

Educational Goals This CE will provide an understanding of the importance of including spirituality in the care of patients based on best practices, current literature and research

Learning Objectives At the end of this activity, the pharmacist will be able to:

- Recognize the differences between religion and spirituality (R/S)
- Discuss the role of R/S in coping with illness
- Understand how R/S affects mental and physical health
- Discuss research about the effects of R/S on mental and physical health
- Understand the importance of collaboration between health professionals and religious professionals in holistic healthcare

Faculty Harold G. Koenig, M.D., M.H.Sc
Professor, Duke University
